Ref: SSJ Tree Report-Rail corridor

Dear Stuart

**RE: Sydney Metro City & Southwest – Sydenham Station and Junction (SSJ) -  
Endorsement of Tree Impact Assessment Report – Rail Corridor**

Thank you for providing the following documents for Environmental Representative (ER) review and endorsement as required by the Condition of Approval A24 (d) and C7 of the Sydney Metro City & Southwest project (SSI – 15\_7400 January 9 2017).

- Sydney Metro City & Southwest – Sydenham Station and Junction (SSJ) - Endorsement of Tree Impact Assessment Report – Rail Corridor (SMCSWSSJ-JHL-WSS-EM-REP-000001, Rev 2, 1 June 2018).

The report is developed to address the Condition E6 of the project approval for the tree impact assessment along the rail corridor of Sydenham Station and Junction Project.

As an approved ER for the Sydney Metro City & Southwest project, I have reviewed the document and consider the referenced version appropriate for issue to DPE for information and for implementation prior to removal or pruning of trees along the rail corridor of SSJ project.

Yours sincerely

Annabelle Reyes  
Environmental Representative – Sydney Metro – City and South West
