Dear Stuart

**RE: Utility Management Strategy Plan Rev 07 - Sydenham to Bankstown Upgrade -
Sydney Metro City & Southwest**

Thank you for providing the following documents for Environmental Representative (ER) review and approval as required by the Conditions of Approval A26 (i) of the Sydney Metro Sydenham to Bankstown Upgrade (SSI – 17_8256 December 12 2018).

- Utility Management Strategy Plan Rev07 (SMCSWSSJ-JHL-WEC-UT-PLN-000001 Revision 7.0, 19 February 2020) (the Plan).

The Plan was originally developed to address the Condition E71 of the project approval. Rev 7 amends the Plan by updating the scope of utility protection required in relation to the Qenos gas main.

As an approved ER for the Sydney Metro City & Southwest project, I have reviewed and provided comment on this document and accordingly approve the amendment of the Plan for implementation.

Yours sincerely

Jo Robertson
Environmental Representative – Sydney Metro – City and South West
