Dear Carolyn

**RE: Endorsement of Minor amendments to Visual Amenity Management Plan,
Sydney Metro South West Enabling Works (SMEW)**

Thank you for providing the following document for Environmental Representative (ER) review and endorsement:

- Visual Amenity Management Plan – Early Works, Rev 4.0 dated 9 April 2019 (Ref: SMCSWSSJ-JHL-WEC-EM-PLN-000006) (the VAMP).

The VAMP forms part of the Construction Environmental Management Framework (CEMF) and it is a requirement of the Sydney Metro Sydenham to Bankstown – Staging Report Rev 3.0, 29 July 2019 for the ER to review and endorse the VAMP prior to implementation.

As an approved ER for the project, I have reviewed and provided comment on the updated VAMP for consistency with the requirements in or under the Infrastructure Approval and now consider it appropriate for implementation.

Yours sincerely

Jo Robertson
Environmental Representative – Sydney Metro – City and South West
