Dear Carolyn

RE: Approval of Minor Amendments - SMEW Construction Environmental Management Plan (CEMP) and sub plans – Sydney Metro City & Southwest

Thank you for providing the following documents for Environmental Representative (ER) review and endorsement as required by the Conditions of Approval A26 (d) and (i) of the Sydney Metro Sydenham to Bankstown Upgrade (SSI – 17_8256 12 December 2018).

- Southwest Metro Early Works Construction Environmental Management Plan (SMCSWSSJ-JHL-WEC-EM-PLN-000001) Revision 9, August 2020) (the CEMP)
- Southwest Metro Early Works Construction Soil and Water Management Plan (SMCSWSSJ-JHL-WEC-EM-PLN-000004) Revision 6, 22 May 2020) (the CSWMP)
- Southwest Metro Early Works Construction Heritage Management Plan (SMCSWSSJ-JHL-WEC-EM-PLN-000002) Revision 6, 22 May 2020) (the CHMP)
- Southwest Metro Early Works Construction Noise and Vibration Management Plan - Early Works, SMCSWSSJ-JHL-WEC-EM-PLN-000003 Revision 7, 22 May 2020) (the CNVMP)

Minor amendments to the plans listed above include:

- a. Update to reflect the name change to the Department of Planning, Industry and Environment (from DPE to DPIE);
- b. Update to the CEMP to clarify internal audit requirements following the 30 July audit; and
- c. Update to the Construction Heritage Management Plan to more correctly reflect direct visual impacts on three heritage structures that had been previously documented as negligible impacts however the impacts were revised to low during the detailed design review process, and consultation with heritage specialists.

As an approved ER for the Sydney Metro City & Southwest project, I have reviewed and provided comments on these documents and the minor changes proposed. Accordingly, I approve the amendment of the Plan for implementation.

Yours sincerely

Jo Robertson
Environmental Representative – Sydney Metro – City and South West
