Dear Hugh

**RE: Utility Management Strategy Plan Rev 09 - Sydenham to Bankstown Upgrade**

Thank you for providing the following documents for Environmental Representative (ER) review and approval as required by the Conditions of Approval A26 (i) of the Sydney Metro Sydenham to Bankstown Upgrade (SSI – 17\_8256 December 12 2018).

- Utility Management Strategy Plan Rev 09 (SMCSWSSJ-JHL-WEC-UT-PLN-000001 Revision 9.0, 3 November 2020) (the Plan).

The Plan was originally developed to address the Condition E71 of the project approval. Rev 9 amends the Plan by including an additional asset, the overhead power lines parallel to the Garnet St Overpass

As an approved ER for the Sydney Metro City & Southwest project, I have had the opportunity to review and provide comment on this document. Due the minor administrative nature of this change, I approve the amendment of the Plan for implementation.

Yours sincerely

Jo Robertson  
Environmental Representative – Sydney Metro – City and South West
