Dear Carolyn

RE: Approval of Minor Amendments - SMEW Construction Environmental Management Plan (CEMP), Construction Heritage Management Plan (CHMP) and Construction Noise & Vibration Management Plan (CNVMP) – Sydney Metro City & Southwest

Thank you for providing the following documents for Environmental Representative (ER) review and endorsement as required by the Conditions of Approval A26 (d) and (i) of the Sydney Metro Sydenham to Bankstown Upgrade (SSI – 17_8256, 12 December 2018):

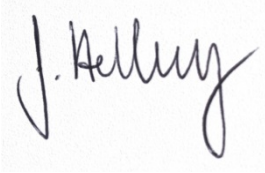

- Southwest Metro Early Works Construction Environmental Management Plan (SMCSWSSJ-JHL-WEC-EM-PLN-000001) Revision 13, 23 February 2021 (the CEMP)
- Southwest Metro Early Works Construction Heritage Management Plan (SMCSWSSJ-JHL-WEC-EM-PLN-000002) Revision 12, 11 March 2021 (the CHMP)
- Southwest Metro Early Works Construction Noise and Vibration Management Plan (SMCSWSSJ-JHL-WEC-EM-PLN-000003) Revision 11, 6 March 2021 (the CNVMP)

Minor amendments to the plans listed above include:

- a. Works associated with establishment of a site compound on Close Street, Canterbury. This includes demolition of an existing building, earthworks for setup of laydown areas and installation of new temporary site offices and supporting activities such as investigations, tree removal/trimming and service installations; and
- b. Excavations within the Canterbury Archaeological Management Zone.

As an approved ER for the Sydney Metro City & Southwest project, I have reviewed and provided comments on these documents and the minor changes proposed. Accordingly, I approve the amendment of the Plans for implementation.

Yours sincerely
