Dear Carolyn

**RE: Endorsement of Sydenham Metro Upgrade (SMu) Construction Heritage Management Plan (CHMP) Rev10 - Sydney Metro City & Southwest**

Thank you for providing the following document for Environmental Representative (ER) review and endorsement as required by the Conditions of Approval A24 (d) and (j) of the Sydney Metro City & Southwest project (SSI – 15\_7400, dated 9 January 2017).

- Sydney Metro City & Southwest Construction Heritage Management Plan (SMCSWSSJ-JHL-WSS-HE-PLN-000034, Revision 10, 19<sup>th</sup> March 2021) (the Plan).

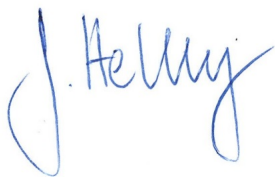

The Plan was developed to address the Condition C3 (g) of the Project Approval. Rev10 amends the Plan by:

- a) Updating references to the Office of Environment and Heritage (OEH) to Heritage NSW

The above-listed amendments are considered to be 'minor' according to Condition of Approval A24 (j). The amendments do not trigger any additional CoAs or REMMs and are consistent with the planning approval. No additional significant risks have been identified as a result of the changes.

As an approved ER for the Sydney Metro City & Southwest project, I have reviewed this document and accordingly approve the amendment of the Plan for implementation.

Yours sincerely

Jo Heltborg  
Environmental Representative – Sydney Metro – City and South West
