Dear Carolyn

RE: Approval of Minor Amendments - SMEW Construction Environmental Management Plan (CEMP), Construction Heritage Management Plan (CHMP) and Construction Noise & Vibration Management Plan (CNVMP) – Sydney Metro City & Southwest

Thank you for providing the following documents for Environmental Representative (ER) review and endorsement as required by the Conditions of Approval A26 (d) and (i) of the Sydney Metro Sydenham to Bankstown Upgrade (SSI_8256, 12 December 2018):

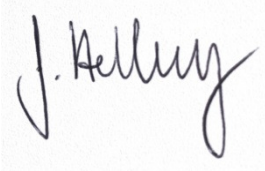

- Southwest Metro Early Works Construction Environmental Management Plan (SMCSWSSJ-JHL-WEC-EM-PLN-000001) Revision 14, 17 September 2021 (the CEMP)
- Southwest Metro Early Works Construction Heritage Management Plan (SMCSWSSJ-JHL-WEC-EM-PLN-000002) Revision 13, 17 September 2021 (the CHMP)
- Southwest Metro Early Works Construction Noise and Vibration Management Plan (SMCSWSSJ-JHL-WEC-EM-PLN-000003) Revision 12, 17 September 2021 (the CNVMP)

Minor amendments to the plans listed above include:

- a. Extension of work dates for the setup of Canterbury compound, to include proposed demolition of the former Bowls Club (which has been delayed, hence extending the SMEW project to November 2021)
- b. Update to Sydney Metro Environment Manager contact details
- c. Update to audit schedule

As an approved ER for the Sydney Metro City & Southwest project, I have reviewed and provided comments on these documents and the minor changes proposed. Accordingly, I approve the amendment of the Plans for implementation.

Yours sincerely
