Thank you for providing the following document for Environmental Representative (ER) review and endorsement as required by the Condition of Approval A26 (d) and (i) of the Sydney Metro Sydenham to Bankstown Infrastructure Approval (SSI 8256, 12 December 2018):

- Construction Environmental Management Plan – Southwest Metro Corridor Works, Rev 12 dated 5 May 2022 (Ref: SMCSWSSJ-JHL-WEC-EM-PLN-000011) (the CEMP).

Minor amendments to the plans listed above include:

- a. Updating the agency name to the Department of Planning and Environment (DPE);
- b. Removal of reference to the *Environmental Planning and Assessment Act (COVID 19 Development – Construction Work Days) Order (No. 3) 2021*; and
- c. Change to the process for Sub-plan review whereby an update will only be made where required changes are identified. The review process will be documented in the project meeting minutes.

As an approved ER for the Sydney Metro City & Southwest project, I have reviewed and provided comments on this document and the minor changes proposed. Accordingly, I approve the amendment of the Plan for implementation.

Yours sincerely
